OK. I haven't received anything. What statement is that anyway?

Lisa, Rachel is updating the list alone at the moment and might not be done by the time the next

statement comes out. Why don't you send the statement separately to your list? I'm sure reporters won't mind receiving EPA correspondence twice.

Either way, Rachel expects she'll be done updating the list by the end of the day.

Please advise. Thanks, R.

Okay sorry! Just wanted to make sure you saw it. I don't know when the statement is coming but soon. You'll be sending it out on vocus too! If you haven't updated yet that's fine – we'll send this one out but after that I wanted to consolidate them.

It's been busy and I'm still going through it. Depending on when you plan on sending your statement you might want to send it separately. What time do you plan on sending it? Once I'm done I'll let you know

Emily, Rachel,

Can I get confirmation that you have updated your list with ours so that the statement that is about to go out is going to our folks? Otherwise, we will send it to ours separately.

Thanks!
